Defining the City's Needs and Opportunities

What are the primary needs and opportunities that the City should focus on in order to recover from the flood events and improve the community's overall resilience? Needs and opportunities may include a wide range of topics including, but not limited to the following core areas:

- **Housing**
- **Infrastructure**
- **Economic Development**
- **Emergency Services and Sheltering**
- **Health and Human Services**
- **Natural and Cultural Resources**
