

CITY OF COLUMBIA CDBG-DR STATUS REPORT

IN PROGRAM APPS	ACTIVE	AWARDED	IN CONSTRUCTION	CLOSED
211	161	67	15	50

TOTAL APPLICATIONS BY PROGRAM

In Program Applications	211
Closed Apps	50
Active Apps	161
CHAP	97
ERP	0
HMGP	0
MRP	64
SRRP	0
Out of Program	243
Total Applications	454

Closed: Applications that have been awarded, construction has been completed and the Homeowner has reoccupied the property. This number will increase as more applicants are assisted.

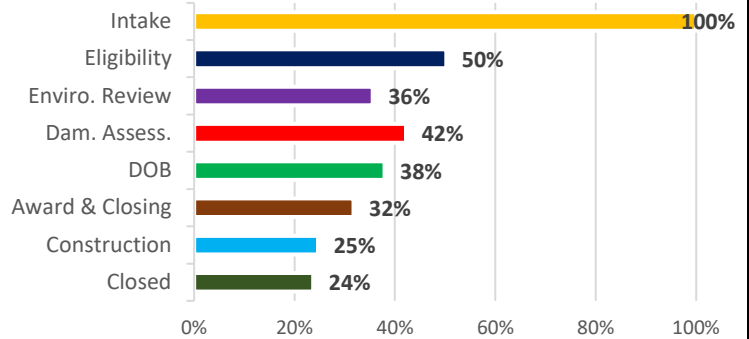

Active: Applications that are currently being worked or have been added to the waitlist to be worked once funding is allocated. This number will decrease as application are moved to Completed or Out of Program.

In Program: Completed applications plus Active applications.

Out of Program: Applications that have been deemed ineligible, have requested to withdrawal, have been non-responsive or will not be allocated any funding with this program.

APPLICATIONS BY STAGE COMPLETED

In Program Applications	211
Stage Completed	
Intake	211
Eligibility	106
Environmental Review	75
Damage Assessment	89
Duplication of Benefits	80
Award & Closing	67
Construction	52
Closed	50

The table above indicates the number of applications that have **completed each stage**. The **Award & Closing** stage is considered complete when the Grant Agreement is signed by the Homeowner and the City of Columbia. The **Construction** numbers indicate the number of homes that have completed the Construction stage. The number of homes currently **In Construction** is defined as any project where a contract was bid and awarded. When all stages have been completed and the property has been re-occupied by the Homeowner the overall status is marked as **Closed**.
