

Contract Amendment #2
Lead-Based Paint & Asbestos Testing/Air Monitoring

RFP018-20-21

ABS Environmental, Inc

July 21, 2023

Description of Change: Request change in Agreement for Contractor Services between the City of Columbia (City) and ABS Environmental, Inc. (Contractor) executed July 26, 2021 (Agreement) to exercise the second of three (3) additional one-year period options to renew services from August 2, 2023, to August 2, 2024.

The need to increase the dollar amount by \$30,000 is based on the plan to serve a few more homeowners, wanting to ensure that ABS will be able to provide air quality monitoring and lead clearances during the process.

All other provisions of the Agreement, except as herein modified or changed, remain in full force and effect.

Current and Proposed Change and Basis for Payment:

Original Contract Amount (Term from August 3, 2021 to August 2, 2022; Purchase Order# P190140):	\$622,500.00
This Contract Amendment #1 (Time Extension from August 3, 2022, to August 2, 2023; Purchase Order# P190140):	\$00.00
This Contract Amendment #2 (Time Extension from August 2, 2023, to August 2, 2024; Purchase Order# P192818):	\$30,000.00
Revised Contract Amount:	\$652,500.00
